

First Congregational Church

2023/24 Church Intern Program

Covenant

This covenant is between First Congregational Church and _____, a church intern for Sept 1, 2023 to Aug 31, 2024.

As a church intern...

- My ministry areas and service commitments will be:

- I understand worship is an important part of discipleship. I will worship regularly.
- I understand my ministry responsibilities and service commitments are important. I will uphold my commitments. I will make appropriate arrangements ahead of time and communicate with church leaders if changes are necessary. I will keep track of my church intern hours.

As a congregation, First Congregational Church will...

- Be your church family. We will be part of your life when life and faith seem natural and when life and faith are difficult. You will always have a place in this congregation.
 - Offer ministry and service opportunities so you can grow in faithful discipleship.
 - Provide regular times of worship and fellowship to enable you to grow in faith.
 - Support you in your study beyond high school as you seek to find your Christian vocation—what it is God calls you to do in the world.
