

July 30, 2026

Greetings!

Your child is invited to participate in the Wednesday School program at First Congregational Church. Wednesday School does not take the place of Sunday School, but supports the Sunday morning program. The emphasis in Wednesday School is on establishing and renewing relationships with friends at church; working on art projects; exercising bodies that have been in school all day; and listening to stories with a biblical or theological theme.

Wednesday School is for children in kindergarten through grade 5 and is held immediately following the end of the school day until 5:15 PM. First Congregational Church offers transportation from River Falls elementary schools to church. Wednesday School will begin on October 7, 2026. Wednesday School has been a favorite church activity for many children.

If you are interested in having your child participate in Wednesday School, please submit the registration form at the bottom of this page. In order to transport your child from school to church, we must have a signed permission form.

From time to time, pictures of students will be included in the bulletin, the church's Facebook page, or other church publications. If you do not want your child's picture included, please complete a Media Opt-Out Request form that is available in the church office.

If you have any questions, please contact me.

Shalom,

Stacy Johnson Myers
Minister of Christian Education
